Hi

This book is about facts from the warriors series, so enjoy!

Fact 1#

[image]

Rowanclaw, up until starlight, was a she-cat in the alligences. This was a mistake, as he was supposed to be a tom. He was even said to be a girl in yellowfang's secret.

Fact 2#

[image]

Dovewing's eye color changed in the alligences, as she was an apprentice she had green eyes, but when she became a warrior, her eye color changed to blue.

Fact #3

[image]

Leopardfoot's mate, pinestar, is older than her and her parents.

Fact #4

[image]

Scourge and firestar are half-brothers, and have both killed each other.

Fact #5

[image]

Thistleclaw was originally in starclan, but was chased into the dark forest by bluestar.

Fact #6

[image]

Goosefeather predicted a terrible death to most cats with the 'snow' pre-fix, including snowfur, snowkit, and even snowtuft.

Fact #7

[image]

Ivypool and dovewing are related to not only firestar, but bluestar as well.

Fact #8

[image]

Redtail was tigerclaw's uncle, yet tigerclaw killed him.
